

CHOOSE FROM THE SUPERIOR ADVANCE NATURE RANGE

- **Spray & Wipe**
Easily removes grease, dirt and grime, leaving a pleasant orange fragrance. Dilute 100ml/1litre.
- **Dish Wash Detergent**
Hardworking cleaner for restaurants and food prep environments. Also great for general cleaning, clothes, floors and cars!
- **Total Washroom Cleaner & Maintainer**
Cuts through soap scum and effectively removes hard water, rust and lime deposits
- **Laundry Liquid**
Low foaming solution suitable for top and front loaders, or hand washing. This free rinsing, biodegradable product leaves no irritating residue on clothes
- **Floor Cleaner**
Highly concentrated cleaner, specifically designed for cleaning polished floors and other hard surfaces
- **Cleaner Degreaser**
Effectively degreases and cleans both natural and man-made surfaces
- **Glass Cleaner**
Concentrated liquid designed to clean glass surfaces such as mirrors, window panes, automobile windshields and table tops
- **Flowing Hand Wash**
Cleans and nourishes the skin. Suitable for light and industrial cleaning situations

CLEAN, EFFECTIVE, RESPONSIBLE

For over thirty years, Advance has been demonstrating industry leadership, always ensuring that our clients and their customers have access to world-class cleaning and hygiene solutions.

We have been at the forefront of innovation, developing exceptional products and services that deliver proven value for money.

The launch of the outstanding Advance Nature range continues this commitment to innovation with a comprehensive range of products designed specifically to respond to a demand for green cleaning solutions.

ENVIRONMENTALLY RESPONSIBLE AND STRONG

Our laboratories have tested numerous plant-based compounds to ensure that you have a certified, responsible product with no compromises on cleaning power.

You can trust that Advance Nature will clean effectively and with the utmost consideration for the environment and your health.

ENVIRONMENTAL CHOICE

Initiated and endorsed by the New Zealand Government, Environmental Choice recognises the genuine moves made by manufacturers to reduce the environmental impacts of their products and provides a credible and independent guide for consumers who want to purchase products that are better for the environment.
